The following is an agenda requested by Examiner Alhija for a proposed Interview. Applicant intends to include an inventor in this interview. The inventor is the first-named author of the Papaefstathiou reference on which the Office relies in rejecting the claims. Specifically, Applicant plans on showing why the Papaefstathiou reference does not disclose or teach a workload definition sequence, as well as other elements of the claims.

Respectfully Submitted,

Date: 24 Jan 06
